

Mission

To promote demand for and strengthen theory, practice and utilization of evaluations through knowledge sharing and capacity building involving members, partners and diverse networks following quality standards.

ECOI & Eval-Youth India NEWS

Report on EvalFest 2024

The final report is now ready and available at

<https://lnkd.in/gUQ6p6-N>

Sequel to EvalFest 2024-Evidence Dialogues at Sambodhi

Following on EvalFest 2024, a series of evidence dialogues were organized by Sambodhi in April 2024. The first that *elaborated on the concept of crisis-preparedness in evaluations*, was with **Ashwani Muthoo** (Independent Evaluation Office, BRICS New Development Bank). Among the others in the series were: *gender-responsive evaluations* with **Jahnvi Andharia** (ISST); *rethinking impact with alternative evaluations* with **Maria Celeste Ghiano** (RELAC); *cultivating evaluation capacities across horizons* with **Ada Ocampo** (IDEAS); *adapting AI for resilience in a multi-crisis era* with **Marco Segone** (Independent Evaluation Office, UNFPA); *championing national evaluation systems* with **Asela Kalugampitiya**, (Center for Evaluation, University of Sri Jayawardanapura); *Reflecting on the Shifting Sands of Evaluation* with **Rajib Nandi** (Sambodhi); *evaluating Sustainable Infrastructure* with **Henrique Pissaia** (IEO-BRICS NDB) and *evaluating the future with 3ie* with **Sebastian Martinez** (3ie).

EvalFest 2024- Knowledge Products

As a part of its post-EvalFest activities, ECOI decided to bring out a series of knowledge products on specified topics summarizing the learnings from EvalFests, past and present. Topics in the series include AI and evaluation, gender and evaluations, evaluation capacity development, inclusion of youth and communities in evaluation, and innovations in evaluations. Members are free to contribute, choosing other topics of their interest.

YOUTH IN EVALUATION
Emerging Super Champion

🌟 Exciting news! 🌟

The Evaluation Community of India has been honored with the "Emerging Super Champions" award! This prestigious recognition comes from the Youth in Evaluation champion awards, highlighting the innovative efforts of organizations across various sectors in promoting meaningful youth engagement in evaluation.

Access the Standards for enhancing meaningful engagement of youth in evaluation at

<https://www.eval4action.org/standards>

ECOI-EvalYouth India and NIUA

Continuing their cooperative activities with the National Institute Urban Planning (NIUP) for building that organization's evaluation capacities, EvalYouth India and ECOI contributed to developing an M&E basic course and recorded audios on specific evaluation topics. Members of ECOI took these sessions.

ECOI Core Group

Dr Jahnavi Andharia, Director, ISST, joined as a member of the Core Group of ECOI. ECOI extends a warm welcome to her.

GEI's gLOCAL Evaluation Week 2024

As a part of gLOCAL 2024, EvalYouth India and ECOI organized a panel discussion on 5 June 2024 on Democratizing M&E: Monitoring and Evaluation in India Languages. The discussion addressed the challenges of English-only M&E and the benefits of M&E accessible in local Languages. The panelists included Dr. Gopal Chavan (Unnat Maharashtra Abhiyan), Nikhil Joshi (Paani Foundation), Tejal Mahashabde (Treermouse), and Pratik Jawale (Magic Bus India Foundation). The discussion was moderated by Umesh Jadhav, co-founder, EvalYouth India.

MEMBERS' CORNER

- **Aniruddha Brahmachari** facilitated a session on fundamentals of the Theory of Change on 4th June 2024 as a part of a three-part Master Class in Evaluation Design organized by Sambodhi Capacity and Learning Institute in collaboration with Community of Evaluators (South Asia) under gLOCAL Evaluation Week 2024.
- **Rajib Nandi** presented in a panel discussion entitled "Evaluation Approaches and Lessons for Advocating Transformational Change: Case Studies from India" on June 4, 2024 organised by Sambodhi under gLOCAL Evaluation Week 2024.
- **Rajib Nandi** presented in a panel discussion entitled "Equitable Evaluation: A Catalyst for Transformational Change" during the gLOCAL Evaluation Week on 6th June organized by Dasra.
- **Rashmi Agrawal** participated in the National Conference on Monitoring, Evaluation, and Learnings, organized by DMEO On 2-3 May 2024
- **Shyam Singh** made a presentation on using life stories in the evaluation of the Watershed Development Programme in a workshop on Unveiling Truths: Harnessing Life Stories and Narrative Methods in Evaluation on 31 May 2024.

- **Payal Mulchandani** reported about the 4th Wheel Social Impact's management and measurement workshop on Practical Tools, Templates, and Checklists organized on 6th June 2024.

New Members

ECOI welcomes the new members who joined during the quarter April-June 2024, and hopes that they will continue to contribute to the activities and growth of the organization.

RESOURCES

Future of evaluation: Charting a path in a changing development landscape

Independent Evaluation Group, World Bank (April 8 – 10, 2024)

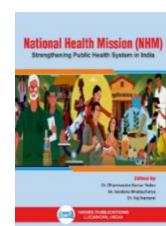

IEG organized a series of virtual conversations during 8 – 10 April 2024 on the future of evaluation practice, the questions it will have to answer, and the impact of new technologies for ever greater data gathering and analysis.

The recordings are available at <https://ieg.worldbankgroup.org/event/future-evaluation-charting-path-changing-development-landscape>

Strengthening Public Health System

Ed. Dharmendra Kumar Yadav, Vandana Bhattacharya and Raj Narayan (2024)

This book comprises contributions by eleven authors on different aspects on various public health initiatives of

Government of India under National Health India under National Health Mission. (Reference to this resource has been provided by ECOI member Dr G. S. Reddy)

New Resources to enhance quality, timeliness and use of evaluations

Independent Evaluation Office, UNFPA (2024)

The IEO of UNFPA has recently brought out a set of four evaluation Resources. These are

- Evaluation Handbook, 2024 Edition
- Guidance on humanitarian evaluations
- Guidance on evaluation quality assurance and assessment
- Costed evaluation plan: Guidance and template

These can be accessed at <https://www.unfpa.org/admin-resource/>
(reference to these resources was provided by Asela Kalugampitiya)

Leveraging Imagery Data in Evaluations Applications of Remote-Sensing and Streetscape Imagery Analysis

Independent Evaluation Group World Bank (Virginia Zulu) (2024)

This paper explores the potential of imagery data in evaluations and presents various data types and methodologies demonstrating their advantages and limitations. The paper may be accessed at [Leveraging Imagery Data in Evaluations \(worldbankgroup.org\)](https://www.worldbank.org/publications/leveraging-imagery-data-in-evaluations)
